NEWS BUDGET OF Y. M. C. A. ON KAUAI

The recently organized Lawai club had its regular semi-monthly meeting Saturday night at the home of one of the boys.

Twenty-eight members of the Lihue Filipino club took a hieira to the Barking Sands Sunday. On the way home they stopped at Camp 4, Makaweli, and had a friendly game of volley ball with the "Y" boys there. The Camp 4 members sadly lacked practice and gave all three games to the visitors.

The Filipino members of the Waimea and Kekaha English night school classes are making splendid progress. They pay a regular tuition fee of a dollar a month.

The annual review number of Association Men, the monthly magazine of the brotherhood, shows that Hawaii ranks fifth among the different States as regards the number of Association members for each 1,000 young men in each State. We have 51.

The Honolulu public library is co-operating with the Association by sending well selected assortments of books for the use of the different clubs. Suit case shipments are due this week for Waimea and Kekaha.

R. P. Jessie is now teaching the Makaweli Japanese English night school class and a new teacher is to be secured to teach his former Filipino class.

The county committee of the Kauai Young Men's Christian Association is sending out a report the first of next week telling of the progress made during 1916. This report will be mailed to the subscribers and members.

The secretary will spend Wednesday at the Honolulu Boy's Industrial school in connection with some Kauai Juvenile Court matters. He will return Friday morning.

Three bible classes for young men have been started this month.

"Every boy who comes to maturity has cost the State—that is, you and me,—one thousand dollars. Some boys go wrong. When a boy goes wrong we not only lose our thousand dollars, but we have to spend another thousand to protect our lives against him. The Young Men's Christian Association is an organization of many men, whose sole object is to keep our boys morally, mentally and physically right. These right ones in turn keep others right. Thus the Y. M. C. A. is an investment that pays cumulative dividends, not only in cash, but in character. Can you suggest a better investment?"

MASONS OF KAUAI HAVE A BANQUET

The new Kauai lodge of Masons had a most delightful banquet in Lihue Social hall Friday evening at which the "better half" of the organization (the ladies) were present. The previous banquet affair of the Kauai Masons was participated in by the sterner sex only; it may be explained; so that this function was the first attended by the ladies.

The banquet table, arranged by Senator J. H. Coney, was in the shape of the Masonic triangle. The decorations, menu, music, etc., were of the best. Judge C. B. Hofgaard was toastmaster, and presided in his usual happy manner.

During the evening speeches appropriate to the occasion were made by Judge Hofgaard, Senator J. H. Coney, W. C. Avery, M. A. Knock and others.

As a whole the affair demonstrated that the Masons are substantially organized here and are destined to become as important to local community life as they have been to worthy endeavors the world around, from Biblical times.

WRITE LETTERS TO CONGRESSMEN

Letters have been received in the last few days by Senator Chas. A. Rice from Delegate Kalaniana'ole, K. W. Breckons and others in position to know the trend of things urging that people on Kauai having friends in Congress write them letters at once urging the passage of the Nawiliwili breakwater item, which will come up for consideration about the first of February. The letter of the Delegate (who by the way, feels earnestly in favor of this project) is as follows:

In order to leave no loophole in our fight for the harbor improvement at Nawiliwili I desire to make this suggestion for your consideration.

Of course I am making the best fight possible with the House Committee on Rivers and Harbors, which is now engaged in framing the river and harbor measure for this session of congress. You will recall that the House last year refused to appropriate for any Hawaiian projects, but that in the Senate the Kahului project was put in and insisted upon by our friend Senator Jones, of Washington. Of course the House gave way to the Senate when the measure went to conference, and the Kahului project remained in the bill and has become a law.

There is more reason this session

A POI LUNCHEON FOR MRS. ANDREW

Mrs. Albert S. Wilcox entertained at a poi luncheon on Thursday the 4th., the following ladies:

Mrs. Kauai Andrew, Mrs. W. H. Rice, Mrs. Philip Rice, Mrs. W. H. Rice, Jr., Mrs. C. A. Rice, Mrs. J. H. Coney, Mrs. S. W. Wilcox, Mrs. C. Lyman, Mrs. Swan, Mrs. J. M. Lydgate, Mrs. F. Weber, Mrs. W. N. Stewart, Mrs. G. P. Wilcox, Mrs. Robertson, Mrs. F. L. Putman, Mrs. C. H. Wilcox, Mrs. R. L. Wilcox, Miss McIntyre, Miss Elsie Wilcox, Miss Mable Wilcox, Miss Lulu Weber.

The laui dining room was very beautifully decorated with hanging baskets and potted palms. The table decoration was yellow chrysanthemums and golden glow.

The luncheon was given in honor of Mrs. Kauai Andrew, of Oakland, Cal., who is visiting her old home on Kauai.

HIBISCUS SHOW AT THE CARNIVAL

Mrs. Charles A. Rice is to be asked to make an exhibition of a collection of hibiscus from her beautiful Lihue garden at the Hibiscus Show which is to be held in Honolulu February 21, during the Carnival week.

Arthur Wall, the director of the Hibiscus Show, confidently predicts that there will be from 2000 to 3000 varieties of the flower shown at that time. He thinks that in beauty and magnitude the show will excel any of previous years, as most of the growers of Oahu have promised to make exhibits.

Among the exhibitors will be G. P. Wilder, sometimes referred to as the "Hibiscus King," Mrs. E. D. Tenney, Mrs. R. T. Foster, Mrs. R. T. King and Valentine Holt. All of the Oahu growers, both small and large, are to be asked to have exhibits of their flowers at the show.

It has not yet been decided whether to make the show competitive or non-competitive. The show very likely will be held in the Pan-Pacific Lodge, which will be erected on Bishop Square, opposite the Young Hotel. This is to be one of the most pretentious buildings ever constructed for the Carnival in Honolulu.

Benefit Concert

The Hawaiian women intend holding a fair in the Lihue Social Hall, on February 10th., at 3:30 p. m. and will also give a concert on the evening of the same day. The proceeds of the fair and concert will be used to furnish a ward in the Samuel Mahelona Hospital, for the exclusive use of Hawaiians. It is to be hoped that there will be a large attendance in the evening, as this is an object well worthy of patronage. Further data will be given in the coming issues of The Garden Island.

of congress than there was in the last for the House to hold down the river and harbor bill, because the democratic leaders admit that a deficit in the federal revenues of \$300,000,000 faces them for the fiscal year ending June 30, 1918.

If we are beaten in the House I will take the matter to the Senate committee on commerce which frames the measure for the Senate.

It is with the fear that the depleted revenues will keep the Senate committee from looking with favor

JANUARY MEETING OF MOKIHANA CLUB

The Mokihana Club met at the Lihue Social Hall on the afternoon of Wednesday, the tenth. The Christmas Trees Committee, Mrs. Thurtell, chairman, reported successful entertainments given on the last day of the fall term at the Wailua, Hanalei, and Huleia schools, with decorated trees, candy, apples and peanuts for the children. The Public Health Committee announced that a First Aid Class under Dr. Putman's instruction was to be organized. Mrs. Putman to have charge of all arrangements. The same committee announced that Mr. Rath, of the Palama Settlement, had been invited to come to Kauai in February to address the Club on district nursing, with the object in view of arousing community interest in the project for securing a visiting nurse for the district.

The program of the afternoon was a musical one. Mrs. Lindemann continued her talk on the "Development of Music," tracing its course down through Greek, Hebrew, and early Christian times and as far as the sixteenth century. Proceeding then to the Symphony, she characterized in a few words the music of Mozart, after which the Jupiter Symphony was played by M. A. Rohrig and Mrs. Lindemann. Mrs. Swan sang two songs, "The Night Has A Thousand Eyes," and "My Love Is Like the Red, Red Rose." A pleasant social hour was then spent, the hostesses, Mrs. Chas. Wilcox and Mrs. Swan, serving refreshments.

Parking Tip Top Square

The little square next to the Tip Top theater in Lihue is being parked in a very attractive manner. A pretty palm has been transplanted from the yard of Mr. H. Rohrig into the middle of the lot and the balance of the place will be nicely grassed over. When all the work is completed the square will be quite in harmony with its pleasing surroundings.

Port Allen Shipping

The schooner Forest Home arrived at Port Allen last Wednesday from Newcastle, bringing 1,100 tons of coal for the Kauai Railway Co. She will sail again on Thursday for Puget Sound.

The steamer Wilmington will be due to arrive on the 20th. from the Sound with a cargo of lumber.

The term of office of Wm. Huddy, magistrate of Hanalei district, has expired and Governor Pinkham will probably this week either reappoint Mr. Huddy or otherwise fill the vacancy.

Germany And Peace

Berlin—Dr. Zimmermann, foreign minister, has issued a statement to the effect that he believes the reply of the Entente bars Germany from any further effort to obtain peace. It precludes announcement of Germany's peace terms, as the modest terms which Germany was prepared to submit would appeal to the enemy as an indication of weakness. The

AUTOMOBILE CASE HANDLED IN COURT

The damage case of William Kuhlmann against Fong Koon took up most of the day in the Lihue district court last Wednesday. The collision between the machines took place opposite Francis Gay's residence in Waimea district, on December 3. The Kuhlmann machine was turned completely over, pinning the occupants down, wrecking the machine and injuring Kuhlmann with cuts.

Patterson appeared for the plaintiff and Philip Rice for the defendant. After a hearing lasting practically all day the court rendered a decision in favor of the plaintiff, awarding \$130.15 for damages to the auto and \$164 for personal injuries and costs of court.

He was arrested by the police of the district on the charge of burglarizing premises at Hanapepe, where he is supposed to live most of the time. The charge was later modified to larceny, hence the low sentence.

The Waimea police are inclined to the opinion that their prisoner is the man who broke into the oil warehouse of the Kauai Railway Co., at Port Allen, ten days ago and stole a small amount of money.
